**Terms and Conditions:** The information on this report is not the official public record and is based only the contents of the microfiche and/or T.C. ("Transferred to Cooksville") file provided by the Ministry of Government Services Companies Branch. For specific information/documents contained in the file and in order to accurately determine if the corporation was in existence between the dates specified, document copies may be required from the TC File or microfiche which can take up to 10 working days for TC files and 3 working days for microfiche. The Ministry will only copy a maximum of 10 pages per order for TC files.
