SERVICE COVERAGE

From British Columbia to Newfoundland, receive the same Due Diligence information as provided in Ontario from any Province or Canadian Territory.

U.S. SERVICES

Did you know we use the same principals and procedures to offer due diligence searches in the United States. We dramatically reduce costs by going directly to the State and eliminating the middleman.

- One of the most competitive rates on the market with discounts applied to multiple names searched.
- No passwords, logins, or low deposit accounts to delay service.
- Litigation and Writ searches also included to complete the Due Diligence package.
- Results delivered electronically on user-friendly reports allowing users to find key information quickly and easily.

Don't waste time and money searching Province by Province for search agents, government, or Court offices. We have an established electronic network to cover all your **Due Diligence search needs across Canada.**

We offer cost-effective, reliable solutions delivered in a timely manner by utilizing the latest in on-line technologies, eliminating third parties and going directly to the source.

Available Search Reports:

- **Corporate Profile Reports**
- **Certificates of Status/Good Standing**
- **Copies or Corporate Documents**
- **PPSA/PPR Searches**
- **Bank Act Searches**
- **Writs & Sheriff Searches**
- **Litigation Searches**
- **Local Provincial Bankruptcy** (where applicable)

All corporate and business names are verified to confirm correct spelling, current status and operating jurisdiction. These steps ensure that the searches are conducted in the correct Provinces or operating jurisdictions.

Due Diligence Search Summary Reports are provided for each Province outlining the types of searches conducted, the search results, applicable search currency dates and other key information.
