The Institute of Law Clerks of Ontario (ILCO)

Thank you to everyone who attended our booth at the **17th Annual Institute of Law Clerks of Ontario Conference in Halifax Nova Scotia**. After many years of sponsoring previous ILCO conferences, we gladly took the opportunity to exhibit at this year's event. It was a huge success and we had the pleasure of meeting some great people. We hope to see you all next year.

Congratulations to Nicole Ducommun from Fasken Martineau DoMoulin LLP who won our iPod Nano prize!

*NEW—Real Estate Search Services

We have obtained a license for electronic access to **POLARIS—Province of Ontario Land Registration Information System**. Order property searches from any Ontario jurisdiction electronically in minutes! Searches can be ordered based on a **Property Identification Number—PIN, Municipal address, Owners Names, Registered Instrument Number, Map, Condominium Plan (level and unit number) and or Plan of a Subdivision**.

All search results provided in PDF format and delivered to your desktop.

*Property searches available across Canada. Please inquire for more details.

Faster Service!

Ontario Corporate Searches and Registrations

We have recently made improvements to our access and online systems allowing direct access to the Ontario Business Information System. Bar-Ex Electronic Search Services

As of May 31, 2007 Bar-Ex no longer provides services for Corporate, PPSA and related Due Diligence search services in the "Electronic Marketplace". **Thank you to all of our Bar-Ex clients who have enjoyed our services and we hope to continue serving you in the future.**

To continue using our services simply visit our website <http://www.centrolegalworks.com> to place an online order, or send an email to search@centrolegalworks.com.

“We **customize** our services
to meet **your** needs.”

Do you have a Back-up Plan?

Approximately 75% of the Search and Registration industry is electronic, but it requires knowledgeable staff, software and the Internet. If any of those fail, **business suffers!**

We have the knowledgeable staff and latest technology to cover your down time. We can seamlessly integrate with any firm or business environment to maintain the flow of search and registration requests. Don't let staff absences or technology problems slow down your operation.

Call today to set up a **custom back-up solution** for just dollars a search! **Electronic, manual or anything in between, we will custom build a solution that works for you.**
