

PPSA Search & Registration

One Site, One System for Canada-wide PPSA services!

SERVICE COVERAGE

Request searches and prepare draft registrations across Canada using one system!

Don't waste time and money dealing with different providers in each Province.

- A Deposit account is not required. Log in and submit searches & registrations instantly.
- Save time by creating pick-lists of frequently used data.
- Access your requests 24 hours a day 7 days a week.
- Track the status of all your orders in real-time.
- All data is saved and maintained in a database allowing you review previous orders.

Introducing the latest addition to our service offerings... **an automated Canada-wide PPSA solution.** Using the latest database technology we have integrated a fully automated system, which allows users to request searches and prepare drafts in any Canadian Province or Territory.

Increase productivity by creating pick-lists of frequently used data for secured parties, debtor names and collateral descriptions. Allowing users to draft registrations, amendments, or discharges in minutes.

Place orders securely using 128-bit encryption and track them any time and any where you have a web connection. Receive immediate status of a search or registration in real-time. All data entered into the system is stored and saved for several years.

*Beta version coming soon—expected launch is Summer of 2009.
